Hiring Manager  
Wayfaring Pty Ltd

Dear Hiring Manager:

**Re: Senior Java Developer**

I wish to apply for the post **Senior Java Developer** as advertised in seek.com on Nov 24, 2015. As you can see from my enclosed CV, I have more than 7 years' experience in software developer role focusing on Java, J2EE and cutting edge technologies of Java development. Together with my professional qualifications, proven track record and desire to advance further, I feel I am more than ready for the challenges your position offers.

During my career I have served as Senior/Lead Software Developer and Architect in Grameenphone Ltd, the largest telecommunications company in Bangladesh and gained technical expertise in object-oriented analysis, design, development and Implementation of Java/J2EE software solutions and worked with technologies like EJB, Spring, Hibernate, Oracle, SQL, SOAP/REST WS, JMS, Git, Maven, Design Patterns, TDD and Agile what I find closely matches with your requirements.

I look forward to hearing from you in order to schedule an interview and further discuss how my skills and experience can be of service. Thank you in advance for your time. Should you have any questions or require additional information, please contact me at your convenience.

Yours sincerely,

Md Rukunuzzaman
